BOIL WATER NOTICE Effective April 28, 2024

Due to reduced distribution system pressure, the Texas Commission on Environmental Quality has required the Millsap WSC/ PWS TX1840007, public water system to notify all **AFFECTED CUSTOMERS** to boil their water prior to consumption (e.g., washing hands/face, brushing teeth, drinking, etc.). Children, seniors, and persons with weakened immune systems are particularly vulnerable to harmful bacteria, and all customers should follow these directions.

AFFECTED CUSTOMERS:

- Water service at **2594 Cool Junction Road**
- Water service at **411 Young Road**
- Water service at or near addresses, north of and including **2900 N. FM 113**(or N. Guess Lane)
- **Millsap Elementary School**
- All water service at or near addresses on
 - **WoodRiver Road**
 - **Wilson Bend Road**
 - **All of the Bulldog Crossing Development to include**
 - **Wilson Bend Road**
 - **Resolute Road**
 - **Churchill Lane**
 - **English Court/Lane**
 - **Marine Circle**
 - **Tillman Blvd**

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and ice making should be boiled and cooled prior to use for drinking water or human consumption purposes. The water should be brought to a vigorous rolling boil and then boiled for two minutes.

In lieu of boiling, individuals may purchase bottled water or obtain water from some other suitable source for drinking water or human consumption purposes.

When it is no longer necessary to boil the water, the public water system officials will notify customers that the water is safe for drinking water or human consumption purposes.

Once the boil water notice is no longer in effect, the public water system will issue a notice to customers that rescinds the boil water notice in a manner similar to this notice.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions concerning this matter, you may contact our corporate office at 940-682-4416 during regular business hours.

You may also see our website: www.millsapwatersupplycorp.com for updates on this situation. We have a subscription service on our website where you may sign up for emails and/or text on news and alerts we may issue.
